TECHNICAL NOTES

Conversation-specific knowledge extracted from the fuse for ac compressor discussion.

EDITORIAL NOTE

The retained chat names a 2020 VW Tiguan but also includes an inconsistent “early 2000s” description. Its SC7 / 10 A / R2 claims rely on diagrams that were not preserved. This record does not verify a fuse assignment for the actual vehicle. Confirm the exact vehicle and its original fuse documentation before acting on the retained reply.

CONVERSATION / QUESTION AND CONTEXT
